PROFILE

Finance and risk professional with two years of audit experience across banking, NBFC, manufacturing, healthcare and corporate clients. Skilled in financial-statement analysis, receivables ageing and ECL testing, NPA/overdue-account classification, and dispute follow-up through debtor confirmations — the analytical core of credit risk assessment and portfolio monitoring.

PROFESSIONAL EXPERIENCE

Audit Associate

Aug 2023 - 2025

Kumar Ashwani & Associates, Chartered Accountants

- Verified hypothecated loan portfolios and receivables for a systemically important NBFC (automobile finance, on behalf of IFFCO Finance); identified documentation gaps and reported findings supporting credit-risk assessment.
- Tested trade receivables ageing schedules and doubtful-debt (ECL) provisioning as part of statutory audit procedures for manufacturing clients exceeding ₹750 crore turnover.
- Performed statutory, concurrent and stock audits for public and private sector banks, covering fund-based credit facilities, collateral verification, loan documentation and NPA/overdue classification (SMA-0/1/2, sub-standard).
- Sent balance and debtor confirmation letters and followed up directly with customers on non-replies and disputed balances until resolution.
- Prepared tax computations and supported regulatory (MCA) compliance for corporate and high-net-worth individual clients.

CORE COMPETENCIES

- Financial statement analysis — liquidity, leverage, cash flow, working capital
- Receivables ageing, ECL provisioning & NPA/overdue classification
- Credit documentation review & internal controls evaluation
- Dispute follow-up and stakeholder communication
- Strong analytical, logical and arithmetic reasoning; confident presenter of findings
